AMENDMENT TO JOINT APPLICATION

DSL.net, Inc. ("Parent"), DSLnet Communications, LLC ("DSLnet") and DSLnet Communications VA, Inc. (DSLnet-VA"), by their undersigned counsel, respectfully amend the Joint Application filed by Parent, DSLnet and MDS Acquisition, Inc. ("MDSAI") (Parent, DSLnet and MDSAI collectively, the "Applicants") in order to add DSLnet-VA as an Applicant. After filing the Application, Parent and DSLnet determined that Parent's subsidiary, DSLnet-VA, should have been included an Applicant to the domestic Section 214 portion of the combined domestic and international Application because DSLnet-VA provides interstate telecommunications in Virginia pursuant to blanket Domestic Section 214 authority. The caption to the Application, therefore, should be revised to read:

In the Matter of the Application of DSL.net, Inc., DSLnet Communications, LLC, and DSLnet Communications VA, Inc. and MDS Acquisition, Inc. for Grant of Authority Pursuant to Section 214 of the Communications Act of 1934 and Section 63.04 and 63.18 of the Commission's Rules to Complete a Transfer of Control of DSLnet Communications, LLC, a Domestic and International Carrier, and DSLnet Communications VA, Inc., a Domestic Carrier, to MDS Acquisition, Inc.

DSLnet-VA holds blanket domestic Section 214 authority, but does provide international telecommunications services and does not hold international Section 214 authority.

Accordingly, Parent and DSLnet do not seek to add DSLnet-VA as an Applicant to the International Section 214 portion of the combined Application.

DSLnet-VA is a corporation formed under the laws of the Commonwealth of Virginia. DSLnet-VA is a direct, wholly owned subsidiary of Parent, whose ownership information is already provided in the Application. Moreover, the information provided in Section VI of the Application remains the same after DSLnet-VA is added as an Applicant. Accordingly, this amendment is minor in nature.

Parent, DSLnet, and DSLnet-VA respectfully request that the Commission accept this amendment and issue the public notice with the addition of DSL.net-VA as an Applicant.

Respectfully submitted,
